

APPLICATION FOR ACCEPTANCE

SECTION 69 - TYPE A GAS APPLIANCE APPLICATION FORM

This application is relevant to Type A gas appliances that are not covered by a relevant Australian Standard or certification scheme.

Examples of such appliances are:

- emergency training equipment
- some industrial or manufacturing appliances
- Type A appliances operating on gaseous fuels outside the scope of relevant standards; e.g. hydrogen

All other Type A gas appliances must be submitted to an accepted Certification Body.

Energy Safe Victoria may decide not to accept an application if an acceptance scheme exists for the appliance. Energy Safe Victoria may apply conditions to the acceptance of any appliance that may include testing or modification. Energy Safe Victoria may require the inspection of an appliance that is subject to this application.

Fields marked with an asterisk “*” are optional. All other fields are compulsory.
